

**BIDS AND QUOTATIONS**

The superintendent is the appointed purchasing agent for Southwest Technology Center and the board of education.

No expenditure shall be made except in accordance with the provisions of a written contract or purchase order, and no contract involving an expenditure of more than \$50,000 for the purpose of erecting a building or making any improvements on school buildings shall be made except upon sealed proposals and to the lowest or best responsible bidder.

This does not prohibit the district from erecting a building or making improvements on a force account basis.

Public construction contracts less than \$50,000 shall be let and awarded to the lowest responsible bidder by receipt of written bids. Public construction contracts are any contract for the purpose of making any public improvements or constructing any public building or making repair work is less than \$25,000, a contract may be negotiated with a qualified contractor. No work shall be commenced until a written contract is executed and proof of insurance has been provided by the contractor to the school district's business office.

The term "force account" means the purchase of necessary materials, and the employment of necessary workmen, by the school district itself, rather than entering into a contract with a building or other contractor to construct the building or other improvement. No contract involving sums in excess of \$50,000 shall be split into partial contracts involving sums below \$50,000 for the purpose of avoiding the requirements of the Public Competitive Bidding Act.

For the purposes of this policy, the term "improvements on school buildings" shall not include any of the following:

1. Portable, or otherwise moveable, buildings and structures;
2. Prefabricated metal buildings and structures, along with necessary utility services for such buildings or structures;
3. Roofs placed over existing roof structures; and
4. Other structures that can be disassembled after installation and removed without permanent damage to existing property.

For the purposes of the Public Competitive Bidding Act, where total payments of principle and interest are anticipated to exceed \$50,000.00, the lease purchase of items pursuant to paragraphs numbered 2 and 3 above must be competitively bid.
